

Dual Language Immersion Program 2021-2022 School Year

Glen City Elementary Grades: Transitional Kindergarten (TK) & Kindergarten

The Santa Paula Unified School District is offering a Spanish/English Dual Language Immersion Program for students.

Students learn two languages!

Academic subjects are taught in a 90/10 model, with 90% in Spanish beginning in Transitional Kindergarten. For the 2021-22 school year, our DLI program is excited to add two (2) Kindergarten cohorts.

Join us and learn what research says about how children learn in two different languages.

Learn how dual immersion benefits both Spanish and English-speaking students.

Dual Immersion students . . .

- *Achieve high proficiency in the immersion languages (Spanish and English)
- *Develop greater cognitive flexibility and superior problem solving skills
- *Show more positive attitudes towards other cultures and other people
- *Are better prepared to work in the global community where a second language is an asset
