Christina Urias, Member  
Derek Luna, Member  
Superintendent  
Dr. Ed Cora

November 20, 2020

Dear Parents and Guardians,

Greetings and well wishes to you and your family. During this time of year when we consider all that we have to be thankful for, we hope your family is safe and healthy. District staff misses the personal interaction with your children and look forward to the day we will have them back in our schools.

For the safety of all students and staff and due to the continued increase of COVID-19 cases, the Santa Paula Unified School District will continue to provide instruction to students via the Distance Learning model through the end of the first semester (December 18, 2020). Prior to the start of the second semester, families will receive a District update regarding any changes to the current learning model, as we continue to monitor the level of positive COVID-19 cases in Ventura County and the City of Santa Paula. The District will also continue to follow the guidance of the Ventura County Public Health Department to assist with determining the best course of action in safely reopening our schools.

As always, thank you for your patience and understanding during these unusual times. Together, we will get through this. Please stay safe.

A handwritten signature in black ink that reads "Ed Cora".

Dr. Ed Cora

Superintendent
